APPROVE IMPROVEMENT

Three of our seniors — Mitchell Edmondson, Mike Dickenson, and Brian Hopkins — got a first-hand look into what goes on in a high school principal's office by spending an hour each day working for Mr. Harris. Shown below is Mitchell recording grades in the permanent register.

The old termite-ridden hardwood floor in the grade school gym was replaced with a poured urethane floor.

The grade school finished the year last spring with plenty of activities to keep them busy and entertained

There was the PTO carnival Holls Fitzpatrick was crowned queen and Susie Fishburn carnival princess. The queen was chosen by grades four through six and the princess by grades kindergarten through three

bome of the booths at the carnival were Kindergarten body painting, egg hunt, and boat ride. First grade treasure hunt, rope climb, and bowling Second grade. football and bean bag toss Third grade arm wrestling, bingo and feel for treasure. Fourth grade basketball throw, weight lifting, and flour throw Fifth grade cake walk, fortune telling, and M&M count. Sixth grade concession stand and dart throw

The grade school also had a homesteader's day and organized their own run in remembrance of the old Oklahoma Land Run Everyone came dressed for the occasion and had a great time.

Fourth graders spent some time in their classroom studying bicycle pedestrian, and passenger safety. Each student drew a picture of the rules he was assigned to and made a film out of them. Their film was sponsored by the Oklahoma Highway Department. They also had a bicycle parade. Their parents were present at the film showing and parade.

CHEBLEADERS

Yea teams!! Go, Fight, Win!!! Cheerleaders for this year's 1981-82 season were Gina Schmiedbauer, Gayelea Orr, Michelie Henke (mascot), Patty Cook, and Kathy Edgar. They and their sponsor Mimi Shelton worked hard organizing and decorating for homecoming and helping out during the M-O tournament Their exuberant spirit was reflected at the games and pep rallies in the spirit of the fans

VICTORY. THAT'S THE EIGHTH GRADE BATTLE CRY. Patrick Jerome and Greg Koch help their class win the spirit stick. Looking across the top of the page, we see the cheerleaders cheering at a game and Michelle helping out in the concession stand during the tournament

Class competition adds a lot of fun to pep railies. When it comes to competing for first place, Troy Klingaman's got style, especially when it comes to drinking Mellow Yellow out of a baby bottle. Brett Bowden, Todd Cook, and Geoff Peveto look on as Kathy keeps time on pyramid building during class competition. The freshmen built a strong one that held up for several seconds. Scott Schoepflin and Diana Robinson chow down the whipped cream in a whipped-cream-eating contest

Patty Cook keeps things going in the hospitality room for those who can't resist the temptation of "pigging out." Right: Mr Nelson and Coach Nicholas.

Browse through 50,000 postcards, paper Americana and rural relics, or search for pottery, tins, trade name and advertising signs in this small-town shop. Calling street numbers a big-city affectation, Kay and Max Stansbury claim their shop—across the street south of the post office—is one-seventh of the downtown business section. You'll find them 3 miles west of 1-35 on Mulhall Road, one-half north. You'll enjoy a visit to their shop. Dealers welcome. Hours daily 8-4.
